Nigerian Princess Converted to Shia Islam Arrives at Imam Hussein Holy Shrine

Among the Delegates who arrived at the Imam Hussein Holy Shrine from Nigeria, Fatima Ardobairo, the Princess of the Nigerian State was welcomed along with the delegates by officials of the Holy Shrine.

Fatima states that it has been four years since she became a follower of Ahlul-Bait. However, it is interesting to note that Fatima reveals the fact she descends from the blood line of Prophet Muhammad (Peace Be Upon Him) and specifically from Imam Es-Sajjad (Peace Be Upon Him).

She concludes her pilgrimage by promising to spread the message of Imam Hussein (Peace Be Upon Him) to her family and country.
